

## **LANDSCAPE DESIGN CONSULTATION**

### **Consultation to include:**

- On-site visit with a City Floral specialist, including a walk-through of your property to listen to your needs and offer suggestions.
- Review of completed City Floral Design Questionnaire.
- Professional guidance, advice and specific ideas suited to your particular landscape.
- Recommendations for plant material, hardscape patios or walkways, water features, pergolas, lighting and other typical landscape services.
- Discussion on your next steps. This may include advice with sequencing, sourcing materials or signing a Proposal for Landscape Design Services.

### **Time Schedule:**

Approximately 1 hour upon arrival is allotted for each consultation. Much will be covered during this time so please be prepared with all questions, ideas and something for note taking.

Please remember that the Consultation fee does not include any additional time spent on design services or estimates for installation beyond the on-site consultation.

### **Fees and Payment Schedule:**

A flat fee of \$75.00 is required for all Landscape Design Consultations. Advanced payment along with the return of your completed Design Questionnaire is required prior to scheduling consultations. Checks written out to *City Floral* are preferred.
