

## LANDSCAPE DESIGN/GARDEN MAINTENANCE CONSULTATION AGREEMENT

## The Consultation Will Include:

- On-site visit with a City Floral specialist, including a walk-through of your property to listen to your needs and offer suggestions.
- Review of your completed City Floral Design Questionnaire/Garden Maintenance Agreement.
- Professional guidance, advice and specific ideas suited to your particular landscape/garden maintenance needs and stated goals/objectives.
- General recommendations for plant material, hardscape patios or walkways, water features, pergolas, lighting, turf and other typical landscape/garden maintenance service areas where requested.
- Discussion of available next steps or individual approach. This may include advice with sequencing, selecting materials, or moving forward with formal Landscape Design Contract/Garden Maintenance Agreement.

## Time Schedule:

Initial consultations can typically be completed in approximately 1 hour. Depending on your individual needs, a great deal of topics will be discussed during this time so please be prepared with all questions and ideas that you may have, and remember something for note taking. In the event where greater than 1 hour is required/requested each subsequent hour will be billed at the same hourly rate in 15 minute increments. Ability to extend consult time is dependent upon availability in adjacent appointment times. Please remember that the Consultation fee does not include any additional time spent on design or estimates beyond the on-site consultation. Nor does it apply to any future services or guarantee availability.

## **Payment and Signed Agreement:**

A signed agreement accompanied by payment for the initial \$75.00 fee is required for all Landscape Design/Garden Maintenance Consultations. A signed agreement and payment is required prior to any consultations. We accept checks			
or credit cards. Checks should be	written to City Floral.
